

TASK 42:

```
<!DOCTYPE html>
```

```
<html>
```

```
  <head>
```

```
    <body>
```

```
      <script>
```

```
        let number=6;
```

```
        let start=1;
```

```
        let end=10;
```

```
        if(number>=start && number<=end)
```

```
        {
```

```
          document.writeln("number is within the range");
```

```
        }else{
```

```
          document.writeln("number is not within the range");
```

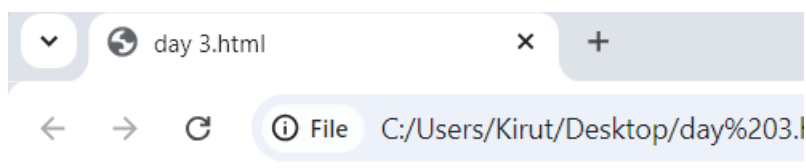

```
        }
```

```
      </script>
```

```
    </body>
```

```
  </head>
```

```
</html>
```

number is within the range

TASK 43:

```
<!DOCTYPE html>
```

```
<html>
```

```
